Thanks Kathy,

Since it doesn't appear that we will be having a technical meeting on Tuesday would it be possible for you to email a map of the proposed OU3 boundaries to Park City? That would help us prepare for a future meeting to discuss allocations under the proposed framework. Also one of the dates Mia mentioned as being available for a meeting, Wed Sept 8th from 9:15-1:00 PM will not work for Park City as we have a meeting scheduled with UDEQ to discuss UPDES permits. Park City is looking forward to having a technical meeting on Mon Sept 13th, or earlier depending on everyone's availability.

Thanks

Jason Christensen

Mia,

As you and I discussed, we would like to schedule an initial "technical" meeting next week to start talking through some of the more detailed assumptions and questions we have about the August 19th allocation numbers. The blocks of time you had originally offered next week were

Tues Sept 7th 10:30 - 3:00p

Wed Sept 8th 9:15 - 1:00p

Fri. Sept 10th 9:15 - 1:00p

We would like to try to schedule some time during the Tuesday block. Ideally, noon or 1:00 to 3:00 p.m. The final attendees are still being confirmed, but confirmed are Jason Christensen from Park City to attend by phone and Miranda Menzies of URS and I to attend in person. John Putnam and the City's consultant on water quality issues also may be able to attend.

I understand from your original message offering these times that you and Kathy at least will be available on Tuesday. Please let me know if the time still works. We also are preparing a list of some initial questions that I will plan to share later this afternoon.

Thank you!

Joan just called me back. We can talk now or between 2-4 this afternoon. Please let us know if either time works for you. I realized I do not have your direct number in my contacts list.

Mia and Matt,

Would it be possible to schedule a brief call on Thursday or Friday morning with one or both of you and Kathy to talk about what assumptions drove the new OU3 boundaries in Kathy's new map? I expect Joan and I would participate from Park City and possibly Miranda Menzies from URS.
